# Federal Spring Economic Statement Luncheon with Minister Olszewski

EDMONTON  
CHAMBER OF  
COMMERCE

Friday, May 1

# About The Event

When Ottawa releases its Spring Economic Statement, the decisions it contains—on defence, energy, housing, trade—will ripple directly into Edmonton’s economy.

On May 1, Minister Eleanor Olszewski, Member of Parliament for Edmonton Centre, will join hundreds of business leaders, elected officials, and community partners for a luncheon hosted by the Edmonton Chamber of Commerce. This is one of the few moments each year where federal fiscal direction meets local business reality in real time.

The Chamber’s role is to make sure Edmonton’s voice is heard at the national level. Events like this are how we do it—by putting our business community face to face with the decision-makers shaping the policy landscape we all operate in.

## **Your sponsorship makes that possible.**

As a sponsor, you’ll also receive meaningful brand visibility, direct engagement with an influential audience, and recognition as an organization that invests in Edmonton’s economic future—not just talks about it.
